

Dr. Abdelilah Kadili

Founder of the TAMKINE Foundation for Excellence and Creativity and its President, Dr. Kadili has held senior positions in the Moroccan public administration including Director of Administrative Reforms, Deputy Director of the Royal Archives and Central Director of the Ministry of Housing; teaching activities both in Morocco and in the USA; Vice President of American companies; Lawyer, Director of Peacebuilding and Rule of Law of an international organization based in Washington DC; and President of an international organization active in the field of human rights.

Dr. Kadili has focused particularly on the democratic transition, development and emergence of African countries, where he continues to provide consulting and assistance to leaders of several countries.

The President of the Tamkine Foundation holds several pre- and post-doctoral degrees including those from Moroccan faculties and schools, and from business and law schools in the United States of America.

In essence, Dr. Abdelilah Kadili's role as a leader within the TAMKINE Foundation has been marked by his unwavering commitment to nurturing leadership qualities in the youth. His visionary approach, marked by participative and innovative dynamics, has not only positioned the Foundation as a beacon of excellence but has also set an inspiring example for young individuals aspiring to make a meaningful impact on their communities and the world at large.

Under the visionary leadership of Dr. Abdelilah Kadili, the TAMKINE Foundation has taken significant strides towards the qualitative improvement of education. His forward-thinking approach has led the Foundation to the seamless integration of cutting-edge technologies into

the educational landscape by recognizing the potential of technology to enhance the educational process. Through innovative initiatives and partnerships, the foundation has harnessed the power of digital tools to create dynamic and engaging learning environments. Dr. Kadili's commitment to leveraging technology's potential underscores his dedication to preparing the youth for the challenges and opportunities of the modern world.

By embracing digital innovation, the TAMKINE Foundation has not only enriched educational content but has also expanded access to quality education for underserved communities. This inclusive approach aligns with Dr. Kadili's overarching vision of empowering all young individuals, regardless of their backgrounds, to unlock their full potential. Under his guidance, the foundation's efforts are a testament to the transformative impact that visionary leadership and technological integration can have on education, ultimately shaping the leaders of tomorrow's world.
